

Our users are given the opportunity to 'opt-out' of having their information used for purposes not directly related to our site at the point where we ask for the information. For example, our registration forms have an 'opt-out' mechanism so users who register a product, but don't want any marketing material, can keep their email address off of our lists.

Also, you may opt-out from receiving communications from our partners and from us by the following means: (1) Click the "opt out" link on any email correspondence you may receive and follow the appropriate instructions.

Public Forums

This site may make chat rooms, forums, message boards and/or news groups available to its users. Please remember that any information that is disclosed in these areas becomes public information and you should exercise caution when deciding to disclose your personal information.
